Our Project

Grupo Educar released research to meet the educational needs of preschool students in the community of Villa Vieja, Tegucigalpa, Honduras.

Through our journey, the last eight years Grupo Educar and Land Bountiful School have been blessed with partners, coworkers, sponsors, and friends that have pushed us to fight for our dream of change education now we look forward to partnering with those who share our vision of giving opportunities to children to realize their potential. Let's do it!

Land Bountiful School
OUR PROJECT

Time Line

November 2021

LBS from Grupo Educar presented a Thanksgiving Project to the community. Together with staff members, parents, and students agreed to sponsor a scholarship for a student from the public sector.

*The school committed to providing the curriculum and the first six months of the school program to ensure the student will succeed in the Bilingual program.

September 2021

LBS sponsored a pilot English program for public schools for three months, with more than 800 students enrolled.

October 2020

LBS sponsored a pilot English program for public schools for the first time, with more than 300 students enrolled.

February 2020

Grupo Educar signed a contract with Imagine Learning to distribute Imagine Learning services within Honduras.

November 2019

As a Thanksgiving project, LBS donated school desks to a public school in the community.

August 2018

A shift in LBS teaching philosophy took place with the implementation of educational software (Imagine Language + Literacy) to improve learning English.

August 2016

LBS became part of the Honduran National Federation of Private Educational Institutions (FENIEPH).

August 2015

LBS received its first sponsors to accommodate students within its program (Students sponsored successfully acquired English as a Foreign Language and are now preparing for higher education).

August 2015

LBS was recognized by the Honduras Secretary of Education as an institution allowed to provide bilingual educational services for English language learners from PK through 9th grade, and all other activities related to education within these ages.

November 2013

Grupo Educar released research to meet the educational needs of preschool students in the community of Villa Vieja, Tegucigalpa, Honduras.

Our Mission

We have great dreams and the determination to pursue them. Our goal is to empower each student within our reach in the achievement of their plans for success.

Developing friendly learning experiences for teachers, students, parents, and families, we ensure success in school environments for all involved in the perplexing task of becoming.

Rosalinda J. Rosales de Zavala
CEO

We are a team of professionals in the fields of education and technology working to build a new way for educators to teach and for students to engage in their learning pathways.

Our job is to establish the best educational opportunities in every community to make an impact on the development of future parents, leaders, citizens, and professionals.

Mosíah J. Zavala
IT DIRECTOR

Our Vision

To be the leading institution in the promotion of high-quality learning programs in which students strive for excellence, develop character, and reach their full potential

Prepare future parents, leaders, and community members as citizens of the world; equipped with the human, technological, academic, and cultural skills to promote specific transformations in their spaces of interactions.
